LumiPro System - 1200

LED SNAPS

PRODUCT DESCRIPTION

Modular design for ease of install.

Multiple installation options: Suspended/Surface mounted/Linkable.

The typical life of the product is 50,000 hours.

Clear polycarbonate cover + PMMA prismatic plate + frosted film.

Interchangeable CCT 3000K/4000K/5000K with switch.

Flicker free and high efficiency LED driver.

High lumen efficiency, 100LM/W.

Non dim (on/off) / 0-10V or DALI (available upon request)

SPECIFICATION DATA

Light Source	2835 SMD
Typical source life	50,000 hrs
Power requirement	220-240 VAC
Power consumption	36W
Colour temperature	3000K/4000K/5000K
Beam angle	80°
Housing	Aluminium
Cover	PC
IP rating	IP20
Operating temperature	-20°C - +45°C
Storage temperature	-20°C - +65°C
Dimensions	1200mm x 80mm x 58mm
Weight	1.9kg

SPECIFICATION DATA

Light Source	2835 SMD
Typical source life	50,000 hrs
Power requirement	220-240 VAC
Power consumption	19W | 15W | 11W
Colour temperature	3000K/4000K/5000K
Beam angle	80°
Housing	Aluminium
Cover	PC
IP rating	IP20
Operating temperature	-20°C - +45°C
Storage temperature	-20°C - +65°C
Dimensions	142mm (arm length) x 80mm x 58mm
Weight	1.25kg | 1kg | 0.7kg
